### HA Design Group Awarded Design Contract for NPR Manhattan Facility

Springfield, VA -- 2 January 2006 -- HA Design Group LLC has been awarded the contract to design the new state-of-the-art broadcast facility for National Public Radio's Manhattan facility, New York, NY. The facility provides services for two daily shows as well as both national, and international news.

#### About NPR

NPR (National Public Radio) is an internationally acclaimed producer and distributor of noncommercial news, talk, and entertainment programming. A privately supported, not-for-profit membership organization, NPR serves a growing audience of more than 25 million Americans each week in partnership with more than 800 independently operated, noncommercial public radio stations. Each NPR Member Station serves local listeners with a distinctive combination of national and local programming.

#### About HA Design Group LLC

HA Design Group is an engineering firm that is driven to give our customers the best in design, engineering, and workflow practices. To give them a design that looks at important technical, operational, and business considerations. We look at innovative approaches to solve today's problems that broadcasters face using the latest in technology. For further information, visit [www.hadesign.net](http://www.hadesign.net).
